6.6 AANLYNAANSOEK – GRAAD 1 (2020)

Soos die afgelope twee jaar, moet ouers van Graad 1 en Graad 8 leerders vir 2020 weer aanlyn aansoek by skole doen.

Die aanlynstelsel sal vroeg in die 2^{de} kwartaal geaktiveer word. Ek doen egter 'n **ernstige beroep** op ouers om die media, sowel as die skool se nuusbriewe, vir inligting dop te hou. Sodra daar meer inligting beskikbaar is oor wanneer die stelsel "aktief" gaan wees (datum en tyd), sal daar 'n ouervergadering met al ons Graad R- ouers gereël word, om sodoende die proses te verduidelik.

Let wel: Die aanlynstelsel is op 'n "first come, first served" basis gebaseer, wat beteken dat slegs die eerste hoeveelheid aansoeke wat 'n skool kan akkommodeer in ag geneem kan word. Leerders wat in Hasie Kwassie Pre-Primêr is, is volgens die aanlynstelsel nie van 'n plek in Graad 1 by die Riebies verseker nie.

Die skool het in 2018 reeds in die eerste paar minute wat die Aanlynstelsel oopgemaak het, honderde aansoeke ontvang. Al die aansoeke kon nie geakkommodeer word nie, insluitend die van Hasie Kwassie leerders wat nie vroeg genoeg aansoek gedoen het nie.

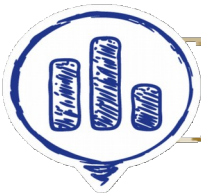

ONLINE APPLICATION – GRADE 1 (2020)

As in the past two years, parents of Grade 1 and Grade 8 learners for 2020, must again apply online for admission.

The online system will be activated early in the 2nd term. We are making an **urgent appeal** to parents to please watch the media as well as the school's newsletters for information. As soon as more information becomes available regarding the date and time that the system will be "active", we will arrange a parent meeting with all our Grade R parents to explain the process to you.

Please note: The online system is based on a "first come, first served" principle, which means that only the first number of learners that a school can accommodate will be considered for enrolment. Learners currently in Hasie Kwassie Pre-Primary are not automatically assured of a place in Grade 1 at the Riebies, according to the online system.

In 2018 the school received hundreds of applications within minutes of the opening of the online system. All the applications could not be accommodated, including those of Hasie Kwassie learners who did not apply early enough.
